BOIL WATER RESCIND NOTICE

On Tuesday, October 16, 2018, the Texas Commission on Environmental Quality (TCEQ) required the City of Groveton, PWS 2280001, to issue a Boil Water Notice to inform our customers that due to an interruption in service, water from our system must be boiled prior to consumption.

Our system has taken the necessary corrective actions to restore adequate pressure, disinfectant levels, and/or bacteriological quality and has provided TCEQ with testing results that indicate that **THE WATER NO LONGER REQUIRES BOILING.**

If you have questions, contact the City of Groveton at (936) 642-1122.
