or via telephone at **469-965-2511**, using access code **765 103 625#**. One of the purposes of this meeting is to discuss the potential environmental impacts of the project and the alternatives to it.

The total estimated cost of the proposed project is approximately \$2.195 Million. The estimated monthly water bill for a typical residential customer is currently \$48.62. No user rate increases will be required to finance this project. An application for financial assistance has been filed with the Texas Water Development Board, P.O. Box 13231, Austin, Texas, 78711-3231.

An Environmental Information Document for the project will be available for public review online at <https://www.ksaeng.com/groveton> for 30 days following the date of this notice. Written comments on the proposed project may be sent to dhays@ksaeng.com or to the Texas Water Development Board Environmental Reviewer at Gayla.Duaine@twdb.texas.gov. The deadline for written comments shall be 10 calendar days after the date of the public meeting.

Public notice posted March 11, 2021.
